If you are in an active bankruptcy case or have received a discharge under the United States Bankruptcy Code, this statement is being sent to you for informational purposes only. The informational summaries below are based on the terms of the loan.

These amounts are governed by the terms of the loan unless otherwise reduced by an order of the bankruptcy court. Because the amounts billed for the escrow items can change over time, we review the escrow account at least once per year to ensure there will be enough money to make these payments. Once the review is complete, we send the escrow review statement, also known as the escrow account disclosure statement.

Here's what we found:

- Required Minimum Balance:** The escrow account balance is projected to fall below the required minimum balance. This means there is a **shortage**.
- Payments:** As of the **January 1, 2025** payment, the escrow portion of the payment **increases**.

The escrow account has a shortage of
\$1,449.72

Part 1 - Mortgage payment

New Payment The new total payment will be \$2,560.36

	Previous payment through 12/01/2024 payment date	New payment beginning with the 01/01/2025 payment
Principal and/or interest	\$1,599.72	\$1,599.72
Escrow payment	\$833.71	\$960.64
Total payment amount	\$2,433.43	\$2,560.36

No action required

Starting **January 1, 2025** the new payment amount will be **\$2,560.36**

See the following pages for more detail.

Part 2 - Payment calculations

For the past review period, the amount of the escrow items was \$9,697.97. For the coming year, we expect the amount paid from escrow to be \$10,077.97.

How was the escrow payment calculated?

To determine the escrow payment, we add the projected escrow items to be paid over the next 12 months. We base these projected amounts on any escrow items that may have been paid in the past and any future anticipated payments to be made. We then divide the amounts by 12 payments to determine the escrow amount.

The chart below includes any actual escrow disbursements as well as any shortage that may have been identified for the past three analysis periods up through the date of the analysis.

Escrow comparison

	06/22 - 05/23 (Actual)	01/23 - 12/23 (Actual)	01/24 - 11/24 (Actual)	01/25 - 12/25 (Projected)		# of months		New monthly escrow amount

Projected escrow account activity over the next 12 months

To determine if there will be a shortage or overage in the account, we calculate whether the amount of the lowest projected escrow balance will be greater or less than the required minimum balance. This is determined by subtracting the required minimum balance from the lowest projected balance. If the outcome is positive, there is an overage. If it is negative, there is a shortage. The calculation is below:

Lowest projected escrow balance August 2025		-\$577.75	(Calculated in Part 4 - Escrow account projections table)
Bankruptcy adjustment [†]	+	\$427.69	
Minimum balance for the escrow account [†]	-	\$1,299.66	
Escrow shortage	=	-\$1,449.72	

[†]This adjustment of \$427.69, is the remaining amount of the pre-petition escrow shortage included in our proof of claim being paid through the confirmed bankruptcy plan.

[†]The minimum balance includes a cash reserve to help cover any increase in taxes and/or insurance as allowed by state laws and/or the mortgage contract. The cash reserve amount does not include mortgage insurance. This account is set to a 2 month cash reserve amount. To calculate the cash reserve for the escrow account, we add the yearly escrow payments, and divide by 6.

Important notice

Your mortgage may require private mortgage insurance (PMI) which protects lenders against financial loss should borrowers default on their mortgage. Under certain circumstances, federal law allows you to cancel PMI or requires that PMI be automatically terminated. This could reduce your mortgage payment. If you paid for the PMI policy up front at the time of closing, cancelling PMI will not impact your monthly mortgage payment amount.

Under Federal law

If you obtained your mortgage on or after July 29, 1999 and used the funds to purchase, construct, or refinance your primary residence, your mortgage is covered by the Homeowners Protection Act of 1998 (HPA). If you obtained your mortgage before July 29, 1999, or if your property has multiple units or is an investment property, your loan is not covered by the HPA.

There are two ways in which you may proceed:

1. Cancellation requested by borrower

You can request to have the PMI cancelled on or after either of these dates:

- The date the principal balance of your mortgage is first scheduled to reach 80% of the original value of the property.
- The date the principal balance actually reaches 80% of the original value of the property.

You must also meet these qualifications:

- Your loan must be current on your mortgage payments with no past due payments owed. You must also have a good payment history. A good payment history is defined as not having any payments 30 or more days late in the last 12 months and no payments 60 or more days late in the last 24 months.
- At your own expense, you must order a new valuation through us that shows the value of your property has not declined below its original value. Original value is defined as the lesser of either the appraisal value of your property when your loan closed or the actual price you paid for your property.

2. Automatic termination of PMI

We will automatically terminate your PMI on the following date:

- The date the principal balance of your mortgage is first scheduled to reach 78% of the original value of the property.

You must also meet these qualifications:

- You are up-to-date on your mortgage payments.
- If you are not current on your mortgage payments as of the scheduled termination date, your PMI will automatically be terminated when you become current.

In any event, PMI will not be required beyond the midpoint of your amortization period for the loan as long as you are current on your mortgage payments.

Investor options

The investor who owns your loan may allow additional options to cancel PMI using your property’s current value. To learn more about your specific investor options, please contact us.

Are you eligible to have your PMI cancelled or terminated?

Our servicing representatives will be happy to let you know if you meet the requirements to have your PMI cancelled or terminated. They will advise you whether an appraisal is required.

If you have any questions or need further assistance, please contact us at the phone number provided on the front of the statement.
